

Ready Mix Safety Rules

Always follow these company safety rules.

Our company, _____, is committed to the safety of our employees and customers. Our safety rules and policies are in place to prevent work-related deaths, injuries, damages, and wasteful financial losses.

We require you to follow the written safety rules below when performing work on behalf of our company. Our organization investigates all injuries, incidents, hazard reports, and property damage.

You are expected to follow these safety rules. Documented corrective action will result if the safety rules are not followed.

- Report injuries, incidents, unsafe conditions, and damage to management before the end of your workday.
- Contact your supervisor whenever an injury or after-hours incident occurs or for any other business-related emergencies.
- Employees are prohibited from working while impaired by alcohol, illicit drugs, legal substances, or medications.
- Our company performs post-incident drug and alcohol screenings.
- Horseplay on the job is strictly prohibited.
- Drivers and passengers must wear seat belts when using company vehicles, driving personal vehicles for business or operating heavy equipment.
- Do not operate a vehicle when fatigued.
- Cell phone use while driving and on the job is prohibited.
- Safe and courteous driving is required. Follow speed limits, do not tailgate and maintain a safe following distance.
- Perform a safety check of equipment and vehicles before use. Report any maintenance concerns.
- Know the job site severe weather plan.
- Get out and look before backing a vehicle.
- Never back up a vehicle without a spotter.
- Backing at fuel stops, parking lots and convenience stores is prohibited.
- Safety-toe footwear is required while at work. In icy weather, use slip-over ice cleats.
- Hard hats are required at the ready-mix plant or construction site.
- When out of the truck, high-visibility reflective vests (day and night) and eye protection are required.
- Wear rubber gloves when working with wet cement. Wear leather or general-use gloves when handling truck equipment.
- Do not jump from vehicles. Maintain three points of contact when mounting/dismounting.
- Do not work on top vehicles or machines unless protected from falls. Use proper steps, ladders, grab bars, and work platforms.
- Use stepladders on a firm, level base and never use the top two rungs. Set up extension ladders on a safe base and secure the ladder to prevent kick-out or tip back/over.
- Maintain three points of contact when using ladders, and do not overreach.
- Scan for overhead power lines and avoid placing trucks within 10 ft of a power line.
- Lockout-tagout is required when performing maintenance on mixer equipment.
- Do not operate any machine if guards are removed.
- Do not bypass or defeat guards, safety switches or interlocks.
- Two-person lifts are required when machinery or supplies weigh over 50 lbs.
- Clean up spills and hazards immediately.
- Know the severe weather plan.
